## Doggy Social Hour

### Sign Up Form

Please read and sign:

I approve my dog for Doggy Social Hour. I understand that for my dog to attend daycare and social hour, they must be fully vaccinated and have had no vomiting, diarrhea, or upper respiratory issues within the past 72 hours.

I understand that if my dog is aggressive towards other dogs they may not attend doggy social hour.

I understand that if my dog shows aggressive behavior towards the other dogs they will no longer be allowed to participate in social hour.

Dogs will play in groups of no more than 3-5 dogs.

I understand that once my dog has reached sexual maturity at 8 months of age they will be restricted to who they can play with based upon if they have been spayed or neutered.

Intact dogs will not be allowed to play together after reaching sexual maturity for the safety of the patients.
