## Puppy Social Hour

### Sign Up Form

Please read and sign:

I approve my Puppy for Social Hour. I understand that for my puppy to attend daycare and social hour, they must be fully vaccinated and have had no vomiting, diarrhea, or upper respiratory issues within the past 72 hours.

I understand that if my puppy is aggressive towards other puppies they may not attend puppy social hour.

I understand that if my puppy shows aggressive behavior towards the other puppies they will no longer be allowed to participate in social hour.

Puppies will play in groups of no more than 3-5 dogs.

I understand that once my puppy has reached sexual maturity at 8 months of age they will be restricted to who they can play with based upon if they have been spayed or neutered.

Intact puppies will not be allowed to play together after reaching sexual maturity for the safety of the patients.
